## Mark your calendars now!

Please join the fleet after racing for refreshments and sailing talk. If you are assigned as a snack/refreshment host and cannot make the date, please find a substitute so that snack and refreshment is not missed. We all count on you!

**A stipulation of your using the floats for boat storage requires volunteer work by all sailing members . Please make an effort to be at the work party or contact me for a solo/small group job. I really appreciate the help. Of course anyone interested in sailing can also attend.**

Always great to have other LBC sailors on site to help support LBC Sailors to new sailing members.

Bring on the enthusiasm to any of our V15 training/rigging or sailing events.
